## **STUDENT/FAMILY HANDBOOK VERIFICATION FORM**

The school Handbook is on the school website. It may be accessed at <http://www.scspk12.org> . Please review it with your child(ren). If you do not have access to the internet please notify the office and we will provide you with a hard copy of the Handbook. We hope having the Handbook on the website will make it more accessible to our families. Another benefit of having it on our website is that it saves the school the cost of paper and printing.

After you and your child(ren) have reviewed the Handbook, please sign the form below and return it to your oldest child's classroom teacher ASAP. (Changes from last year's handbook are in italics)

### **Please check one:**

My child(ren) and I have read the Handbook on the school website and agree to follow all of the rules and guidelines put forth in the school's (checked above) Handbook. We understand that the handbook may be modified during my child(ren)'s period of enrollment. We understand that we are responsible for following any additions or changes to the handbook during enrollment at this school. Changes and/or additions will be posted to the Handbook on the school website and noted in our school's newsletter.

We do not have access to the school website (internet). Please send a hard copy of the Handbook for the school checked above.
