

The MOScholars program is a state-wide initiative giving scholarships to students in private or parochial schools. Thanks to 55 donors Herzog Tomorrow, the overseeing organization for Southern Missouri, has been able to give over \$1,000,000 in MOScholars scholarships. However, they need to raise an additional \$4,000,000 in MOScholars tax credit donations to fund a remaining 600 MOScholars students.

Herzog Tomorrow is looking for both individuals and businesses to support MOScholars by redirecting 50% of their Missouri tax liability into scholarships.

The first step in making an impact for students in Missouri is to reserve your tax credit.

Here's how you can reserve your tax credit:

1. www.moscholars.com
2. Once on the MOScholars page, on the right-hand side of page click on "Tax Credit Reservation System"
3. Select "Herzog Tomorrow Foundation" as your EAO (Educational Assistant Organization) to receive your tax credit
4. Mayela Esser with Herzog Tomorrow Foundation follow-up with you after you have made your tax credit reservation.

For questions about MOScholars you may reach Mayela at 816-601-3379 | messer@herzogtomorrowfoundation.com.

Please Note: This is not a Springfield Catholic Schools initiative, but a state-wide program helping Missouri students.
