

St. Joseph Student Council

2007-2008

St. Joseph School believes that each child possesses God-given gifts and talents that are meant to be shared to improve the lives of others. To assist students in the sharing of their gifts St. Joe offers numerous opportunities for leadership, scholarship, and service to others. Student Council is one of the means that the children of St. Joe might employ in their quest to share their talents for leadership and service.

Student Council of St. Joseph School is made up of officers elected from the 8th and 7th grade classes and representatives from each grade level. Officers and representatives meet once a month to plan student activities and service projects. Student Council faculty moderator is Ms. Ames, 8th grade teacher.

During the school year we have a suggestion box at the school for all of your wonderful ideas. It is checked regularly so feel free to leave a suggestion and Student Council will discuss it when it's received. We appreciate your ideas and hope to see more soon!

Officers for the 2007 - 2008 school year are:

President - Samantha Y.

Vice President - Thomas G.

Secretary - Taylor L.
